

CAFSInfotech is hiring students for Internship

ABOUT INTERSHIP

1. The intern understands they will not receive compensation and does not expect compensation.
2. No intern will be asked to pay for the training and it is absolutely free.
3. The internship is similar to training they would receive in an educational environment.
4. The internship is part of the intern's coursework, or the intern will receive academic credit for the internship.
5. The intern does not displace regular employees but works under close supervision of existing staff while receiving educational benefits.
6. The internship aligns with the intern's academic calendar, allowing them to meet their other academic commitments.
7. The length of the internship aligns with the period of beneficial learning for the intern.
8. **There is a guarantee of a job at the conclusion of the internship if the intern fulfills the internship requirements.**
9. A minimal round of interview will be conducted for the selection of the right intern.
10. The intern should sign the rules and regulations of the internship before joining.
